

Our Core Values

All persons with disabilities deserve...

- Respect for their needs, preferences, and decisions.
- Access to any technology.
- Education and employment without barriers.
- A rewarding learning experience.

EmpowerTech believes in...

- Innovating to provide opportunities for students, staff, and our community.
- Collaborating with students to develop its programs.
- Fostering and encouraging lifelong learning.
- Networking to stay up to date on technology.
- Accommodating each person's disability to allow access to technology.
- Integrity in the service it provides.
