

The current version of the EmpowerTech website was created [January 2011] under the auspices of a service grant from the Los Angeles Chapter of the Taproot organization. You can learn more about Taproot at the following link:

<http://www.taprootfoundation.org>

The service grant team consisted of the following individuals who donated their professional time and skills to make this re-launch possible:

Project Manager- [Richard Holmes](#)

Account Manager- [Elizabeth Marx](#)

Copywriter- [Lisa Plendl](#)

Graphic Designer- [Pam Teplitz](#)

Web Programmer- [Richard Morris](#)

This site is powered by the [Joomla](#) ! Joomla is a free, open-source content management system (CMS) and application framework that powers 2.7% of the entire web.
